

Proposed New Uniform – September 2018

Important Information to Parents and Carers

Dear Parents and Carers

The school uniform is a very important aspect of the Academy culture and ethos and as we join the Alban Academies Trust, as a new school, we need to consider our new uniform, ensuring it remains smart, robust and fit for purpose.

We are consulting with staff, students and governors on this subject and with parents and the planned information evening on 2 October. With this in mind, we have liaised with uniform suppliers to propose two possible designs for our new uniform for September 2018. We wish to reassure all parents and carers that we are working to minimise any financial implications.

Below you will find images of the two suggested combinations.

OPTION ONE:

Option 1:

- Black blazer with piping and school badge.
- Red blue and gold school tie with school logo.
- Black v-neck pullover, with stripe to match the piping on the blazer.
- White shirts.
- Box pleat, knee-length black skirt **or** standard school supplied black trousers with school logo.
- Boys will have black trousers.
- Black shoes (not trainers)

Option 2

- Plain blazer (no piping) with school badge.
- Red blue and gold school tie with school logo
- Black v-neck jumper, (no stripe)
- White shirt
- Girls will have the choice between a box pleat, knee-length, black skirt or standard charcoal school supplied trousers.
- Boys will have black trousers.
- Black shoes (not trainers)

OPTION TWO:

We would very much like to get the views of as many parents/carers as possible and would ask that you please take a couple of minutes to consider the options and feedback your preferences to admin@sfosborn.herts.sch.uk

The feedback period will close on 16 October 2017; thereafter a decision will be made based on the feedback we have received. We will then communicate the final decision in relation to proposed uniform changes and inform all parents/carers of the next steps.

Thank you for your time and feedback.
