Dear Parent/Carer

Achievement assemblies		
Tuesday 18 July 2017	8.50am Year 7	9.50am Year 8
Wednesday 19 July 2017	11.05am Year 9	12.05pm Year 10

We have great pleasure in inviting all parents and carers to our Achievement assemblies next week. Last year we did ask for feedback from parents and carers concerning the event. Overwhelmingly they said how positive they felt the events were, however a number of people did express their frustration that they had made a significant effort to attend but their son/daughter did not receive an achievement certificate.

This year we are intending to inform students on Wednesday 12 July if they are receiving an award. We will not be telling them what it is, but just that they will be getting one. We believe this will help parents and carers make the decision about attending or not. We are not trying to prevent people from attending, we welcome everyone, we are simply responding to feedback from last year. The intention of this letter is to respond positively to parental feedback. We do hope many parents and carers join us for the achievement assemblies.

Finally, many congratulations to all the students who will be receiving certificates.

Yours sincerely
