17th October 2017

Dear Parent/Carer,

As you are aware part of the Computer Science GCSE this year comprises of two exam papers worth 80% of the final grade. As well as the whole school intervention on Fridays I am also offering an "EXAM BOOSTER" session on Thursday and Friday lunchtimes (both weeks), this session will start at 1.15pm to 1.45pm.

I would ask you to encourage your son/daughter to attend at least one of the lunch sessions as they will have an opportunity to:

- Review the course material
- Go through exam techniques (related to Computer Science)
- Complete exam questions and refer to mark schemes

Many thanks for your support, if you have any queries please contact me on Emily.Symeou@sfosborn.herts.sch.uk

Yours sincerely,

Mrs E Symeou
Subject Leader For Computer Science
