12<sup>th</sup> October 2017

Dear Parent/Carer,

## **RE: Computer Science Non- Examined Assessment (NEA)**

As you are aware Year 11 students have started the Non-Examined assessment (NEA) that composes 20% of the final GCSE grade for Computer Science. The students have 20 hours in which to complete this assessment which is conducted under formal exam conditions and I have timetabled it during their Year 11 lesson time – dates and times are shown overleaf.

Although the students are aware of this schedule, I would ask that that you show this to your son/daughter and stress the importance of them attending all the allocated timetabled sessions. If your son/daughter is absent (due to illness etc) for any lessons when the NEA is timetabled, they will be given additional time in January to complete the work.

In order to meet the exam board deadlines, the final version of the student's report must be completed and handed in to me by the **26<sup>th</sup> January 2018**.

Please note a further timetable for January will be issued at the end of term.

Thank you for your support. Any queries please email me on [emily.symeou@sfosborn.herts.sch.uk](mailto:emily.symeou@sfosborn.herts.sch.uk)

Yours sincerely,

Mrs E Symeou  
**Subject Leader For Computer Science**
