Dear Parent/Carer,

Please can we ask that parents/carers are extra vigilant as we have received reports, that a man has approached and taken a photograph of a student in the alleyway next to the school on their journey to and from school. The male is described as white, with short dark brown curly hair, dressed in dark clothing and riding a push bike. The bike is said to be black or blue in colour.

Students will be reminded of personal safety advice. It would be helpful if parents could reinforce this message and ask students to report any concerns to school or parents/carers.

This matter has been reported to the Police who will continue to monitor the situation.

Staff have been made aware and along with Police colleagues will continue to be a presence at the perimeter of the school at the start and end of the day where necessary.
