20 April 2017

Dear Parents and Carers

I am delighted to welcome back everybody after the Easter holiday. At this time of year the clear focus is on the forthcoming examination season. There are obvious challenges facing all our Year 11, 12 and 13 students. I am confident that with staff, students, parents and governors working together and supporting each other, we can ensure that every student will be able to maximise their potential.

For students in Year 7, 8, 9 and 10 there will be an intense focus on all aspects of readiness for learning, completion of homework and a clearly communicated consistency in all that we do. We will be making considerable demands of all students and also of ourselves. I have the confidence that everyone shares my determination to ensure that Sir Frederic Osborn School is a learning community in which we can all be very proud.

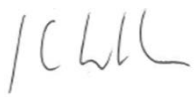
However, as in other schools, there are sometimes individual students who find it difficult to allow others to learn and progress without distraction. We will not tolerate the impact of this on learning. We do ensure that these individuals receive as much support and guidance as we can reasonably provide but individuals will need to understand that they must accept personal responsibility for their behaviour and indeed any consequences which may arise.

During our end of term assembly it was a real delight to celebrate the achievements of so many of our students who are working hard and trying their best. It demonstrates that by supporting each other they are determined to realise their potential both inside and outside the classroom.

Please do follow the recognition of our students' achievements by reading the weekly edition of Insight. This is available on the school website and it is sent on a Friday via Schoolcomms.

We look forward to another successful term.

Kind regards



J C Whelan
