Dear Parent / Guardian,

I would like to take this opportunity to remind parents and guardians to please park responsibly when dropping off and collecting children from the school.

I am pleased to say that whilst conducting patrols last term the vast majority of vehicles were parked legally and responsibly, however these careful drivers were let down by a small minority of people that felt they did not have to abide by the rules of the roads.

Can I remind parents and guardians of the following that are not acceptable?

- Parking on any part of the pavement
- Parking on the road and blocking the dropped curb of residential driveways
- Parking on the yellow zig- zag controlled area

The main excuse I heard from parents and guardians who stopped inappropriately and moved due to my presence was that they were running late. That excuse was not acceptable then and is not acceptable now. If the vast majority of people can park legally and arrive within plenty of time to drop off / pick up their child then there is no reason why everyone can't.

If you do have any questions or wish to discuss anything contained in this letter please contact me or the local PCSO's.

Thank you

Police Sergeant 1735 Steve Hynes
