Dear Parent/Carer

Helping your child prepare for exams – Important Study Skills Event for Parents
Tuesday 12th September – 6pm

You are invited to attend a presentation by Dr Martijn van der Spoel who is running sessions for Year 10 students on effective study skills and the best way to prepare for their exams. Students will receive their training during the day and **do not need** to attend in the evening.

The evening session is for parent/carers and has been highly recommended by parent/carers from other schools. We fully anticipate that after this session you will be better informed and prepared to help support your child.

At the evening session, Dr van der Spoel will share with you his insights and ideas so that you can support your child to implement effective revision strategies at home.

This event will take place on **Tuesday 12th September 2017 at 6pm** and will last for one hour. This will be followed by a brief information evening detailing information on the year ahead.

Please return the attached slip to Reception or email your confirmation to admin@sfosborn.herts.sch.uk.

We look forward to seeing you on the evening.

Yours sincerely

Mrs J Spence
Year 10 Director of Learning
