Dear Parent/Carer,

The school has been offered a very important and beneficial talk for our students on Anti-social behaviour, drug addiction, gang and knife crime, prison life, self-harm and bullying.

This opportunity has arisen as a result of the Welwyn Hatfield Borough Council and the Welwyn Hatfield Community Safety Partnership CSP (a statutory body under the Crime and Disorder Act 1998) being successful in receiving funding from the Police and Crime Commissioner. This funding is specifically needed to enable the CSP to better engage with schools through prevention, intervention and awareness raising of issues of ASB and substance misuse and the long term impact that can have on a young person's life. This fantastic opportunity has been taken up by all the local secondary schools in the area.

These workshops will be delivered by an ex offender Paul Hannaford. Please take a look at Paul's website (www.paulhannaford.com) for more information about his talks, who he has worked with and understand the importance of his message.

Since 2009 Paul has spoken to well over 300,000 young people giving them a real life insight into drug addition, alcohol, gang life, gun & knife crime, prison life, self-harm & bullying. These talks are hard hitting but highly effective.

We have arranged for each year group to receive a 50-minute presentation on **Friday 2nd February**.

Please could you complete the slip below or email admin@sfosborn.herts.sch.uk **if you do not** want your child to be in the presentation.

Yours sincerely
