Dear Parent/ Carer

## **GCSE Food Preparation and Nutrition Revision Guide and Workbook**

I am writing to recommend the CGP revision guide which is available for the Eduqas GCSE in Food Preparation and Nutrition. The guide offers a comprehensive revision structure and specific guidance when completing exam questions and practical assessments. The workbook supports learning through sample exam questions and testing of key points. The revision guide and workbook can be purchased through Sir Frederic Osborn School at a discounted rate.

If you would like to purchase the guide and workbook, please make your payment through the school's electronic payments system 'WisePay' and return the slip to the Finance Office.

Yours sincerely
