Dear Parent / Carer

## **Camps International - Cambodia**

I am writing to draw your attention to a couple of points regarding your child's upcoming trip to Cambodia with Camps International.

Firstly, enclosed are details of both the School's Insurance and Camps International's Insurance policies. Your child will be covered under both policies provided they are a registered pupil at Sir Frederic Osborn School. **Please note that if your child is no longer a registered pupil of Sir Frederic Osborn School, i.e. is not in daily attendance at the school, that he/she will not be covered under the school's insurance policy for this trip. They will, however, be covered under Camps International Insurance.**

Please also be advised that Camps International do not cover personal items and neither Camps International nor the School's insurance will cover accidental damage to fragile personal items such as mobile phones. Therefore, you may choose to take out additional personal insurance to cover such items.

Secondly, below is the Expedition Team Members' Code of Conduct document which your child has already been advised of and requires parental agreement by signing and returning the declaration at the end of the document.

Finally, if you have any questions regarding the insurance or the Code of Conduct, please do let me know.

Yours sincerely,

Mr R Sutton
